Harold - Thought you would be interested in progress under the Canadian PA law. Chumir talked with me at length before he filed his brief in this case.

Dear Jim:

I am enclosing for your information copies of correspondence relating to the Privacy Act application we have been discussing.

We have hit pay dirt and the government has agreed that the Order-in-Council (ie Cabinet order) setting up the exempt bank in issue is invalid and, ergo, there is no longer an exempt bank to contend with.

We still have other issues to wrestle with but of lesser difficulty than the exempt bank matter.

Best regards.

Sincerely,

Sheldon
